**Re: Overdue Response to Information Request-
 Lower Darby Creek Area Site - Clearview Landfill, Folcroft Landfill, and
 Folcroft Landfill Annex**

Dear Ms. Volpe:

On November 7, 2001, the U.S. Environmental Protection Agency ("EPA") issued a letter (copy of which is enclosed) to the Presbyterian Medical Center, requiring the provision of information and/or documents relating to the above-referenced Site, pursuant to Section 104(e)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, ("CERCLA"), 42 U.S.C. § 9604(e)(2) ("Information Request"). Your response was due within **fifteen (15) calendar days** of your receipt of the Information Request. The enclosed copy of the return receipt indicates that you received the Information Request on November 9, 2001. Accordingly, your response and all supporting information was due on or before **November 24, 2001**.

You must provide all requested documents as well as a separate and complete narrative response to each and every question contained in EPA's November 7, 2001, Information Request within **seven (7) calendar days** of your receipt of this letter. This seven day period, however, is not to be construed as an extension of the original deadline and does not excuse any violation for failure to respond to the initial Information Request.

NOTICE OF POTENTIAL ENFORCEMENT ACTION

EPA hereby advises you that your failure to respond fully and truthfully to each question, or to justify adequately your failure to respond, may subject you to an enforcement action by EPA, pursuant to Section 104(e)(5) of CERCLA, 42 U.S.C. § 9604(e)(5). This section authorizes EPA
